EXTENSION COURSE REGISTRATION BEGINS TUESDAY AT UNIVERSITY

MISSOULA---

Night classes offered during spring quarter by the University of Montana Division of Extension and Continuing Education begin Tuesday (March 27) at UM.

Mrs. Anne Dwelle (pronounced Dwellee), assistant to the director of extension and continuing education, said 23 courses are being offered as part of the spring quarter extension program. Registration will be at the first class meeting of each course.

The extension courses are offered for \$16 per credit. Those interested in signing up for noncredit may do so for \$8 per credit if they do not participate in class discussions.

Registration will be on the respective meeting nights--Tuesday, Wednesday, or Thursday--this week. Courses meeting on Monday during spring quarter will meet for the first time April 2. Courses without sufficient enrollments to finance them won't be offered.

Courses this quarter are offered in anthropology, art, botany, business administration, drama, education, English, home economics, liberal arts, mathematics, political science, psychology and sociology.

One of the courses--Seminar: Topics in Mathematics for High School Teachers (Math 399)--will be taught in room 224 at Hellgate High School instead of at UM. The class will meet from 7-10 p.m. beginning Thursday (March 29). The teacher is Shlomo Libeskind.

Additional information about the extension program may be obtained by phoning Mrs. Dwelle at 243-5073.
